

Rainer Maria Rilke & Auguste Rodin, Paris c.1902

Rodin, Rilke & The Creative Journey: A New Online Writing Workshop Offered at OLLI-RU this Spring

Explore how the modernist French sculptor Auguste Rodin and the young Bohemian poet Rainer Maria Rilke grew to become the artists they were: what their friendship, their lives and work taught them about the creative process and living the artistic life. Through curated readings, discussions, in-class writing invitations and sharing of work, we'll use their personal stories as springboards for poems, stories, and memoirs of our own. This eight-week workshop is open to writers at all stages of their career.

Writing not only connects us to the creative spark within, it's a bridge to fellow writers past and present who understand the role art plays in enriching our lives, especially in cloistered times as these. Please join us, if you can, and add your voice to our weekly discussions.
