

The East Brunswick Senior Center
cordially invites you to:

POETRY FRIDAYS

with Shelley

Friday, October 27th
1:00 – 2:00 PM
Room A

Join us as we engage in lively discussion with master poets past and present, and explore what makes poetry *poetry*. NJSCA teaching artist/poet Shelley Benaroya will show you how easy it is to craft a new and surprising poem each time we meet, even if you've never written a poem before. This fall, awaken the creative spark that lives inside you.
